NICE PEBBLES ♦ Have you dreamt of feeling like a real Niçois? Coming back to your designer pad in Vieux Nice, opening a bottle of ice-cold rosé and cooking up a storm with the treats you bought at the market?

All hail this holiday flat company set up by English couple Matt and Gayle. Their concept is simple: offering the quality of a four-star boutique hotel in holiday flats.

The apartments (ranging from one to three bedrooms) are gorgeous and quipped to high standards (flatscreen TV, kitchen, linen bedding and, in some cases, wi-fi, swimming pool, balcony, etc.)

Matt and Gayle also run **RIVIERA PEBBLES**, with apartments in Cannes, Antibes and Monaco.
